MEMORANDUM FOR THE RECORD

SUBJECT: Telephone call from Mr. Barnes, Chief of REP/State,
on EDIC Redraft of ERC 34

Mr. Barnes, the Chief of REP/State, called me concerning the revision of the Foreign Service Reporting Instruction on Economic Relations with the Sino-Soviet Bloc prepared by the EDIC Working Group on Collection Requirements. He said that REP in coordination with ECD had reviewed the Working Group draft and approved it subject to "minor editorial changes". He agreed that that the draft should now be sent to EDIC for approval and to the EDAC Executive Committee for information; and said that it would then go to the printer for publication as a confidential supplement to the new Foreign Service Manual.
